# HAS THE LAW CHANGED?

## People!

How will people be different?

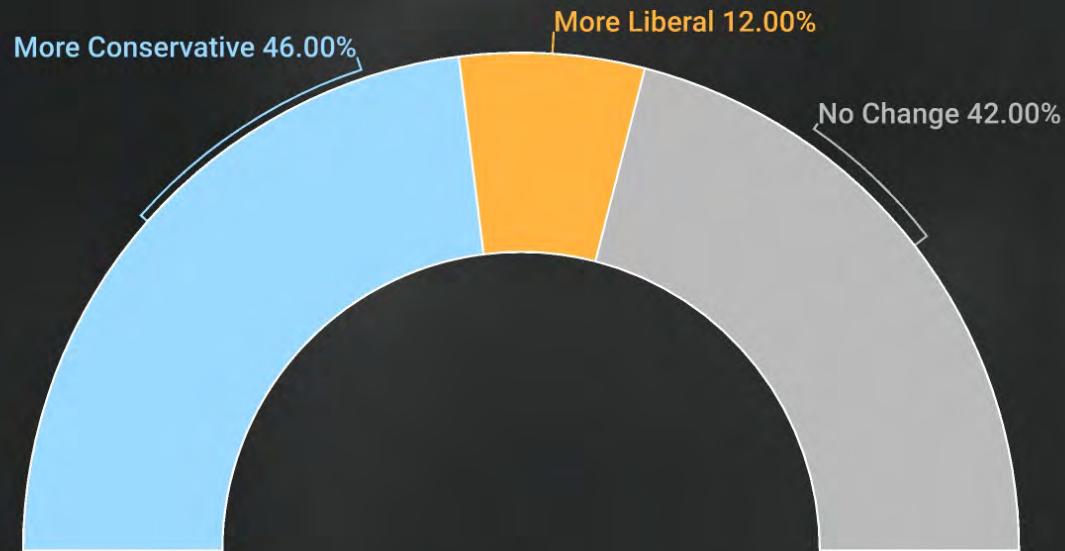

# WHAT HAS CHANGED?

**If you were a juror in a civil lawsuit with a corporate defendant, would how they handle their business and employees during the COVID-19 outbreak affect your views of the corporation?**

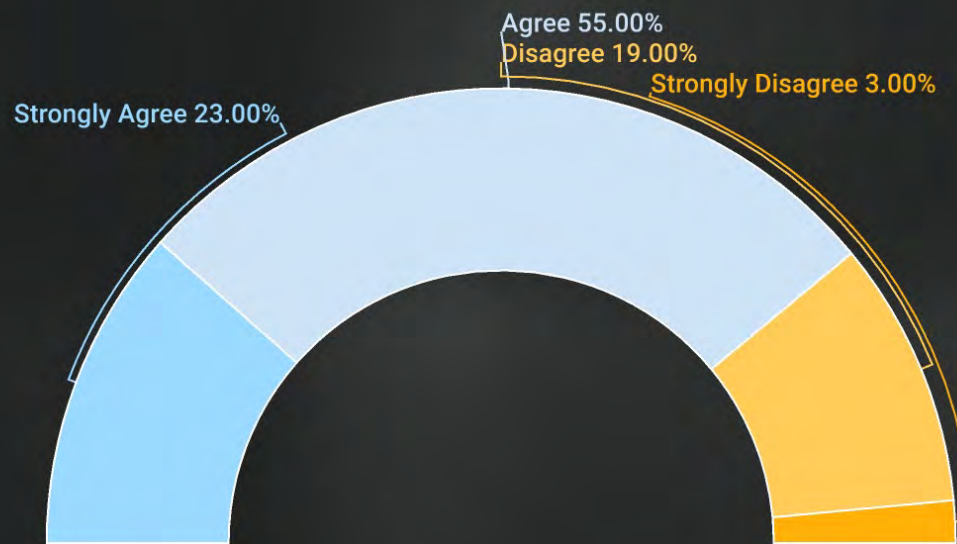

## After the COVID-19 pandemic subsides, I think I will:

- Be more conservative with my money
- Be more liberal with my money
- Not change my financial habits at all

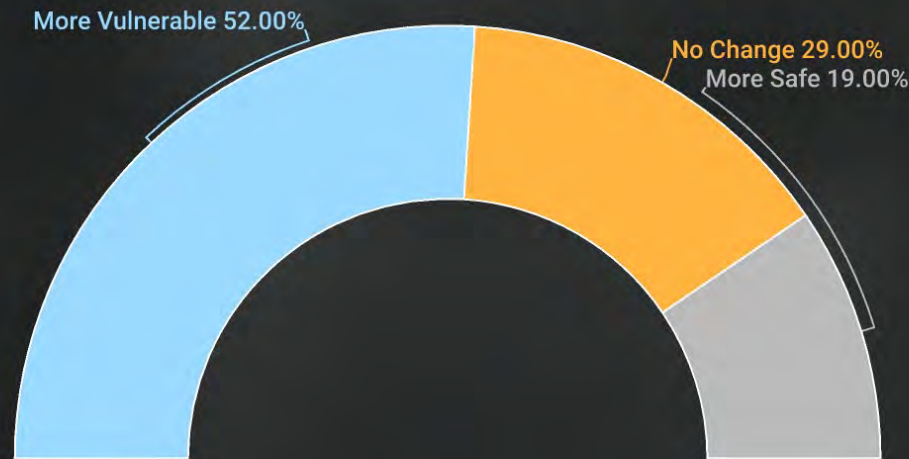

**Any business interruption losses that occur due to the COVID-19 pandemic should be covered by business insurance policies.**

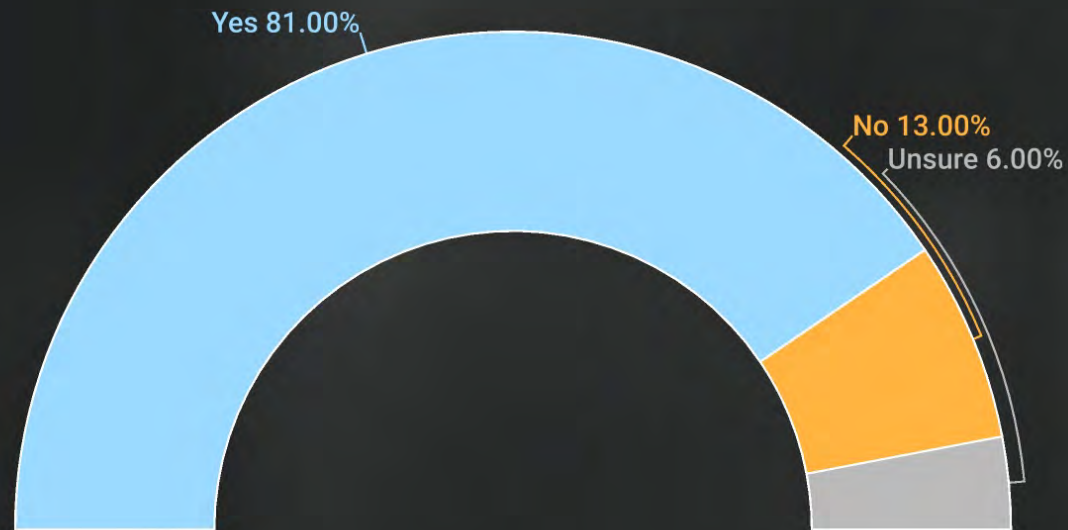

## How has the COVID-19 outbreak affected your views of your own safety/vulnerability?

- It has made me feel very vulnerable and aware of my own mortality
- It has not affected my personal feelings on safety and vulnerability
- It has made me feel more aware and therefore more safe and secure

**Do you feel a greater sense of compassion for those in the healthcare field following the COVID-19 pandemic than you did before it?**
